Lot 1 is not serviced.					

The map shows a plan view of a utility layout for Lot 1. The central area is labeled "LOT 1". To the north, a horizontal road is labeled "GISCOME RD". To the east, a vertical road is labeled "EVASKO RD". A dashed line running north-south through Lot 1 is labeled "ENCUMBRANCE A 1795". Another dashed line running diagonally from the southwest to the center is labeled "ENCUMBRANCE 22715". The map includes various utility lines: blue lines for water service and main, red lines for sanitary service and main, green lines for storm service and main, and yellow lines for underground gas lines. Specific features are marked with symbols: blue dots for water hydrant leads, valves, and hydrants; red dots for sanitary service and clean outs; and green dots for storm service. A legend at the bottom explains the symbols and line types used.

Legend:

- Blue dashed line with a blue dot: WATER SERVICE AND CURB STOP (CS)
- Blue dashed line with a blue dot and a blue cross: WATER HYDRANT LEAD, VALVE, HYDRANT
- Red dashed line with a red dot: SANITARY SERVICE AND CLEAN OUT (CO)
- Green dashed line with a green dot: STORM SERVICE
- Black dashed line: ROAD EDGE
- Yellow dashed line: UNDERGROUND GAS LINE
- Blue solid line: WATER MAIN
- Red solid line: SANITARY MAIN
- Green solid line: STORM MAIN
- Black solid line: ENCUMBRANCE
