Subject: Road Plan O8208

Hi Jordan,

The attached PDF is all that is available for Road Plan O8208 (Kimball Road). The document references an attached sketch or plan, but none was found in the Stacks or microfiche at Victoria.

FYI: prior to the current Expropriation Act, roads could be 'attributed' to municipalities under Section 6 of the Highway Act (since repealed) by registering a Notice in the BC Gazette. Typically, a Statutory Right of Way Plan was registered at LTSA, and the road was gazetted using the Plan number. The owner's permission was required, but an Approving Officer's was not. The reference to the Gazette is not typically shown on Title but is included in the Miscellaneous Notes.

Good luck with your project,

Tammy Stever
